February 2011

Welcoming new members to the Greater 285 Corridor through social & civic activities

Volume 22 #2

CN&N ON THE MOVE IN 2011

Having started the **New Year** off with a bang at the January meeting, our efforts are beginning to role.

How about our first speaker of the year?? Absolutely wonderful, and I can't wait for Laura to invite Peter back -

We are beginning meetings with:

* the **Nominations Committee** (so watch out for members walking up to you and beginning their sentences...

“**have you ever considered...**”, or “**would you be interested in...**”)

We need help to keep us on the right track. **Please consider our requests!!!** It's not **ALL** work -

We have been known to play-
and Smiling faces are **always** welcomed!!

* the **CN&N Constitution/Bylaw revisions committee**

(Does the sound of “**what does that mean?**” ring a bell???)

*the **CN&N Board** to talk about position openings, descriptions, our membership brochure, the Spring luncheon (can it be that time already?) etc.

Our **Directory** will be readied for distribution at the February meeting, with some further inserts available once other tasks are completed.

What a great job has been done by this group!! Atta boys to y'all!

Surveys have begun review, and we will have a report on what they have offered us at the February meeting as well.

In addition, we will be asking for the yearly vote on “Shall we continue to sponsor the CN&N fundraiser, the “**HOLIDAY BOUTIQUE**”?”

If you're ready to vote yes, be prepared to sign your name to the dotted volunteer line.....remember what we said. “We know where you live...”

And with all of this going on, we are in the company of wonderful CN&N friends -
what more could we ask for???

SEE YOU IN FEBRUARY!

Cynthia

Speaker Series

We have two wonderful speakers in February: Sallie Wandling from Mt Evans Hospice and Home Health Care and Sharon Schrage from the Mountain Resource Center. These two outstanding organizations have provided much-needed health care and community support services to thousands of mountain residents, and CNN has been able to support their extraordinary work over the years with some of our charitable funds. Sallie and Sharon will be sharing some heart-warming stories with us in February — the month of love. Their stories will warm your heart!

Your friendly program chair,
Laura Belsten

Thank you for the kind and loving friendship that was bestowed on our family with the passing of our mother/grandmother. Your friendship helps make this difficult time more bearable.
